Dear Parents/Guardians,

This Sunday is the Feast of Christ the King. Christ’s Kingdom still defies our full understanding, for this Kingdom has no borders to define it, no weapons or military to defend it. It is a Kingdom that seems to turn upside-down the very nature of a Kingdom, for the one who rules is the one who serves. What’s more, the character of the citizens of the Kingdom is not a conquering character, one of harshness and self-seeking but one of gentleness and giving.

The manifesto for this Kingdom is found in the content of the Sermon on the Mount. In addition to this manifesto, there are many other aspects that make the Kingdom of Christ very different to the Kingdoms of his time and to some Kingdoms of our time:

- Revenge: “You have heard that it was said, ‘An eye for an eye and a tooth for a tooth.’ But now I tell you, do not take revenge on anyone who wrongs you. If anyone slaps you on the right cheek, let him slap you on the left cheek, too.” Matt. 5:38,39

- Anger: “So if you are about to offer your gift to God at the altar and there you remember your brother has something against you, leave your gift in front of the altar, go at once and make peace with your brother, then, come back and offer your gift to God.” Matt. 5:23,24

- Hatred: “You have heard that it was said, ‘Love your friends, hate your enemies’. But now I tell you: love your enemies and pray for those who persecute you, so that you may become the sons of your Father in heaven.” Matt. 5: 43-45

- Judgement: “Do not judge others, so that God will not judge you; for God will judge you in the same way you judge others, and he will apply to you the same rules you apply to others.” Matt. 7:1,2

Jesus’ idea of Kingdom was so radically different, that when Paul wrote his letter to the Romans, he said, “Do not conform yourselves by the standards of this world, but let God transform you inwardly by a complete change of your mind.” Rom. 12:2

Today, more than ever, the world cries out for this ‘Kingdom’ and for people to strive in their time and place to “bring forth the Kingdom of God”.

RETURN FROM MY SABBATICAL

As you are aware I have been on sabbatical since 6th August. I found this time away to be a real gift and a time for which I am extremely thankful. The main reason I was able to ‘relax’ while I was away being my confidence I had in the people who took on new roles during my absence. It is not easy to step into an acting positon and to this end I offer my sincere thanks to Mr John Loadsman who took on the role of Acting Principal, Mr Tony Flood who took on the role of Acting Assistant Principal Middle School and Mrs Denise O’Brien who took on the role of Acting Head of House for Doyle.

2016 GRADUATION BALL

Last Friday was the final event in the school life of our 2016 HSC class with the Graduation Ball. Unfortunately, I was not able to be there as I did not arrive in Lismore until Sunday. All reports are that the night had a wonderful feel and was a fitting farewell to our HSC class. In particular, I would like to thank the Grad Ball organizing team of Mrs Karen Davies, Mrs Amanda Simko, Ms Robyn Stuart and Ms Suzette Mackney. I would also thank the many staff, students and parents who did a power of work in the setting up of and pulling down of the decorations. It is a true community celebration.
SJS STAFFROOM / LIBRARY WORK
The work is well underway on the enlargement of the staffroom and library on SJS. The slab has been laid for the staffroom and the raised slab for the library should be poured this week. Once this has happened the project will develop very quickly.

STUDENTS NOT RETUNING IN 2017
It is that time of the year again where we are finalising who will and who will not be attending the College in 2017. Classes and timetables for 2017 are being prepared and it is vital that we do this on the basis of accurate numbers. Please contact the College Registrar, Ms Robyn Stuart on 66276622 or email rstuart@trinitylismore.nsw.edu.au

Take care and God Bless,

Brother John Hilet, fms
Principal

Diary
TERM FOUR
2016
Week Six
Friday, 18 November
• 11.56 Presentation Day Liturgy

Week Seven
Monday, 21 November
• Presentation of the Blessed Virgin Mary
• Junior Examinations
• Year 11 RRISK

Tuesday, 22 November
• Junior Examinations

Wednesday, 23 November
• Junior Examinations
• 12.30pm Year 12 Society & Culture
• 1.00pm Senior Red Cross Donor Day

Thursday, 24 November
• Junior Examinations
• Year 9 Performance Exam

Friday, 25 November
• Junior Examinations
• 11.56am Pastoral House Meeting
• 11.56am Year 7 & 10 Meeting

Week Eight
Monday, 28 November
• Junior Examinations

Tuesday, 29 November
• Junior Examinations

Wednesday, 30 November
• Junior Examinations
• TCCL Invitation Basketball

Thursday, 1 December
• Junior Examinations
• 7.00pm Year 10 Music Performance

2016 OLHC Parish Christmas Carnival

$25 Ride Pass - 5 hrs unlimited fun - from 2pm
Available from the school office or on the day

LOTS OF ACTIVITIES
• Ham Wheel
• Monster Raffle
• Rides
• Games and Maze
• Santa Visit
• School Tableau - 7:30pm
• Photo Booth

Our Lady Help of Christians Parish School
24 Rhodes St, South Lismore
Sunday 27th November
1pm-8.30pm
IN THE SCHOOL GROUNDS

New Menu Items!
• Spicy Chicken Wings
• Pulled Pork Rolls
• Nachos
• Hot Dogs
• Fruit Salad
• Plus lots more

MERRY CHRISTMAS
Dear Parents/Guardians and students.

The College Council met on Thursday 3rd November and as always, a wide variety of issues were discussed and considered. The main agenda items were (i) ratification of the ICT Strategic Plan, (ii) Child Protection Audit, and, (iii) Ratification of the revised Purchasing; and, Delegation of Authority Policies.

Directors also hosted an afternoon tea with the newly appointed College, House and Ministry Captains for 2016/2017 prior to our meeting. Nearly every student Leader was able to attend and a number of Directors of the Council were there too. It was an opportunity for us as a Council to introduce ourselves to the students so that they may be able to “put a face to the name”. It is after all, because of the students that we volunteer our time in service to the College. As leaders, we share the noble goal of making this school a better place and I sincerely hope that any of these young men and women will feel comfortable enough to approach any one of us, should the need arise. What a privilege it is to be amongst these fine young men and women – they are obviously people of integrity and I am confident from speaking with Br John, they will do well.

Last Friday, 11th November, the Year 12 students graduated. A wonderful event is an understatement. It was a well-run, sophisticated and dignified evening. They are a wonderful group of young people about to take on the world.

I thank the Principal of the College, Br John Hilet as well as the many dedicated teachers and non-teaching staff who have nurtured, taught and directed these students to where they are today.

It is hard to believe that we are about to meet for the last time in a few weeks – our work is almost done for 2016 – and I look forward to it starting all over again in 2017. It is an honour and a privilege to serve the College. I especially give thanks to Mr John Loadsman who was Acting Principal over the last 12 weeks during Br John’s study leave overseas.

Our role on the Board can seem insignificant to many – however, it is often the silent achievements that are brought about by prayerful reflection and conciliatory discussions, where various opinions are heard and respected. It is a privilege to work with such talented and dedicated College Council.

All the best for the remainder of 2016,

God Bless.

Yours sincerely

Br Neville Solomon, fms
Chair
Trinity Catholic College Lismore Ltd.

Pictured are the 2016/2017 College, Ministry and House Captains enjoying afternoon tea with (LHS) Mr John Loadsman (Acting Principal), Ms Karen Davis (Deputy Chair) and Mr David Hunter (Director). On the far RHS is Br Neville Solomon (Chair), Mrs Tanya Jones (Director), Mrs Suzette Pearce (Director) and Mr Jack Sheridan (Director).
GRADUATION BALL
OMG was this not the best night we have had at Trinity! Our Graduates were all decked out making this night with its theme ‘Dancing Under the Stars’ a complete success. This night had it all - great food - thank you Mr David De Nardi, great music - thank you Kate Symes and Band, great ambience - thank you Ms Robyn Stuart, Mrs Amanda Simko and Ms Suzette Mackney - the stage was stunningly effective, and of course our Graduating students were in the right frame of mind to have a wonderful night. How pleased I was to hear that even the after party was a hassle free time, and Mr & Mrs Marks complimented all of the Year 12 students who attended their place saying that as a group everyone supported each other. This night is crafted over twelve months and I can honestly say I enjoyed this night very much because our students and families were respectful to all that was on offer. Year 12 2016 you have my best wishes as you journey onto the future, just don't forget to keep us in the loop.

On the night we also awarded what we deem as the Major College Awards.

Trinity Cup - Isaac Graham
Sports Woman of the Year - Hannah Sculley
Sportsman of the Year - Cooper Stahl
Building School Spirit Award - Ellie Schneider and Lucie Lawrence
Bishop of Lismore Christian Awareness and Service Award - Chloe Adams

ADF Award - Sanjana Jose
O’Keeffe Family Award - Chloe Adams and James McInnes
Principal’s Special Awards - Jessica Anderson, Mitchell Coveney, James Denniston, Ellie Gilchrist, Isaac Goodwin, Tescha Nicholls
Principal’s Excellence Awards for Outstanding Academic Achievement - Courtney Albertini, Samuel Bruce, Caitlin Davies, Emma Feros, Sanjana Jose, Paige Kenway, Ella Mansfield, Michelle Simpkins

CONCERNING YEAR 11
Next Monday 21st November ALL Year 11 students are attending a RRISK day - Reduce Risk Increase Student Knowledge - at Southern Cross University. This day is so significant that it has reduced party related injuries with young people. More information will be sent home via a note on Thursday this week.

CONCERNING YEAR 10
Each year on the same day as the Year 7 Orientation Day the College has offered Year 10 the opportunity to go to Dreamworld. This year again we had booked this for our students. In light of the recent tragedy and through discussion with Heads of House and Year 10 students themselves, we will not be going there this year, but are looking for an alternative. More information will be sent home next week.

Have a great fortnight

Mrs Karen Davies
With the return of Brother John I have reverted to my normal role for the remainder of the year. I would like to thank both Mr Adam Mayes and Mr Tony Flood for fulfilling the Head of Middle School role at various stages since early Term 3. Thanks also go to Mrs O’Brien who very ably covered for Mr Flood as Acting Head of Doyle House.

SOCIAL AND EMOTIONAL WELLBEING SURVEY
Last week all of our students participated in this survey and the feedback was instantaneous. I have managed one completed reading of the data and have found much valuable information that can direct some of our planning and activities for next year. We will provide some feedback to parents over the next few months via the Lantern.

PEER SUPPORT
For young people, relationships with peers, siblings, teachers and carers can be a wonderful source of support and at the same time, fraught with challenges. Even the strongest of relationships is not immune to the emotional roller coaster of human interactions.

In Peer Support last week, students discussed skills for effective communication including empathy, listening and responding. One of the biggest temptations for many of us in relationships is to jump to conclusions about the words and actions of others. Some of us have a tendency to automatically assume untruths, like, we’re to blame, we’re not liked or people are talking about us. Students were encouraged to consider what is happening for others and to avoid unhelpful thoughts about themselves. If necessary, students can ask questions to ascertain unknowns rather than invent their own worst case scenario. By addressing interactions in this way we can diffuse strong emotions and resolve or even avoid further issues. This approach also applies to online interactions and behaviour.

YEAR 9 ACTIVITIES - WEEK 5
It was a very busy week for our Year 9 students during week 5. Students were engaged in a three day camp run by Outward Bound and two days of Peer Leadership training facilitated internally by enthusiastic staff from the College. It is hoped that the students gained much from these experiences and that they will be able to apply the skills that were further developed in a variety of contexts.

Mr John Loadsman

From the Director of Curriculum

EXAM BLOCK
Year 7 to 10 students and parents have received the exam block timetable. Any student who misses an exam will be required to do it before or after the scheduled exam. Please contact the Office of Student Learning if you know your child will be absent for an exam.

STUDY TIPS
- Study planners should have specifics. For example, “5:30 – 6:30 study Maths” is too broad and should be more concise with “5:30-6:30 Complete Chapter 7 Review for Maths”
- Know what is in each exam. Use the task notification.
- Practise under exam conditions. Use a clock or phone to set time limits to complete revision or homework. This could be as simple as giving yourself 5 minutes only to write the introduction for an essay or response.
- Summary notes can take many forms. Using colour to help your memory
- Use your time effectively. Record your notes and listen to them on the bus. Make flash cards and study with them when you are waiting in the car.

Mrs Victoria Nicolas
YEAR 8 REFLECTION DAY

On Wednesday, 2nd November our Year 8 Students spent the day at Alstonville Baptist Church participating in their Reflection Day. The purpose of this day was to introduce the Year 8 Students to the Catholic Schools Youth Ministry Australia (CSYMA) program via the theme “Catch the Wave Day”. The CSYMA program aims to empower young people to live as disciples of Jesus Christ in our world today by drawing youth to responsible participation in the life, mission and work of the Catholic faith community as well as providing links between school-based youth ministry programs and pathways for students to continue their evangelisation outside of the school community.

The day was facilitated by Trinity’s Mrs Axman and Mr Miller who were supported by a number Year 11 students who took on a leadership role by leading small group discussions and participating in a discussion panel focusing on what self-esteem is and how it impacts on their daily lives. A number of Year 8 Tutors were also present and their assistance with small groups was greatly appreciated. All students involved in the day had a great time and are feeling excited about the challenges that lie ahead of them. The day provided our Year 8 students with enough information about the CSYMA program so they could make an informed decision as to whether they would like to be involved in Year 9 and 10.

IN WORD AND DEED SERVICE HOURS

As you would all be aware students here at Trinity are required to perform community service. This is achieved through the ‘In Word and Deed Service Program.’ These experiences will help our students to boost their confidence, provide them with new skills and personal satisfaction, leading them to appreciate their own gifts and God-given talents. Through their generosity, they will also assist in enhancing the lives of the people they serve.

As 2016 draws to an end Religious Education Teachers will be finalizing the service hours for all students in Year 7 -10. Final totals are due no later than Friday, 25th November (Week 7). Students who have accrued more than 100 Hours will be acknowledged at the final school assembly on Tuesday, 13th December with a Principal’s Recognition Certificate.

Minimum hours for each Year level are as follows:
Year 7 & 8 - 10 Hours       Year 9 & 10 – 15 hours

If you have any questions regarding this program, contact me at the College.

Mr Luke Miller

FESTA CHRISTI

On Thursday, 3rd November, a group of Trinity students, along with other students from across the Diocese, set off for Camp Koinonia to attend the annual Festa Christi conference. We had no idea we were in for such a wonderful couple of inspirational and fun filled days lead by Mrs Kate Nestor. The first day began with some introductory, getting to know you games and followed with an introduction to the theme of Festa Christi, Mercy. Our days consisted of sessions with an insightful video from Fr Rob Galea, games, small groups and a night prayer session. With the rise of the next day, and most of us not getting much sleep, we had some reflection and games before having Mass held in the camp’s hall. It was then time to set off back to Lismore. We were all spiritually enriched and well and truly ready for a rest.

James Penhey - Year 8
THE EFFECTS OF TEENAGE OVERNIGHT DEVICE USE
There is increasing concern about the health effects of the 24/7 use of internet-connected devices. Recent research conducted by Digital Awareness UK on Teenage Device Use has revealed that almost half of students admit to using their devices after going to bed and some check them throughout the night. Students themselves link this behaviour to reduced performance and increased tiredness at school.

A summary of findings is here:

---

**SURVEY RESULTS**

45% of teens admit to using devices after going to bed

- % of those who:
  - Check more than 10 times a night: 23%
  - Are on for more than an hour: 25%
  - Admit their parents are not aware: 32%
  - Are on social media: 94%
  - Are listening to music: 75%
  - Are watching films: 57%
  - Are playing games (boys): 70%

---

**FURTHER FINDINGS**

In addition to their overnight use, students admit:

- It affects their schoolwork: 96%
- They keep phone next to bed: 42%
- They are tired at school: 25%

---

You can read the whole report [here](https://www.thinkuknow.org.au/site/) including a student-centred guide: 10 ways to manage screen time at night.

**LINKS FOR STUDENTS AND PARENTS**

- Think U Know is an excellent Australian site with many factsheets and help for managing the online environment, keeping it fun but safe. [https://www.thinkuknow.org.au/site/](https://www.thinkuknow.org.au/site/)

- The eSafety Commissioner’s site has numerous fact sheets, help for reporting cyber bullying, recommendations for app settings and recent research. For students, Parents and teachers. [https://www.esafety.gov.au/](https://www.esafety.gov.au/)

---

Ms Katie McCloskey
SCIENCE OLYMPIADS NEWS

Congratulations to Oliver Simon of Year 10 who attained 2 Distinctions in the Chemistry, Physics and Biology exam papers. He achieved in the top 20% of entrants, most of which were Year 11 students. Well done to all of our students who had a go at this aspirational exam.

YEAR 7 SCIENCE EXCURSION TO SCU

Southern Cross University were generous in hosting our Year 7 for the second year and put on a very useful series of workshops around the theme of resources. We moved our current teaching unit to make the most of our morning at the University so that the students were actively studying the material. After the workshop students were asked to use their photos of the day and create a photo report of their learning.

After an introduction to the variety of careers in Science our group was split into 3 and we went to 3 different workshops. Students had the opportunity to take apart old electronics with hammers, saws and other noisy objects, this was the most popular workshop and gave students a great insight into the amount of useful resources currently thrown away and how they will need to change this in their future. Students spent some time in the shoes of a town planner and came up with some great ideas about how to reinvigorate Lismore for young people. Some students walked out of this workshop with new ideas about their career path. Finally, students spent some time in the water lab and viewed the largest flume machine in Australia.

Thanks to the schools of Science and Engineering for spending their time in developing their workshops and to the staff and students for their enthusiasm and interest on the day.

YEARS 7 - 10 SCIENCE

GOOD Luck to Years 7-10 students in your up and coming exams. Please set yourself up for success by allocating plenty of study time, discussing progress with your teachers and parents and asking for assistance as you need it. Build on your CAN DO attitude and Growthmindset skills.

SUPER MOON

Super moon 14th November biggest in 70 years.

http://www.telegraph.co.uk/news/0/what-is-a-supermoon-and-when-can-i-see-the-largest-moon-in-70-ye/

From google logo Sir Frederick Grant Banting KBE MC FRS FRSC (November 14, 1891 – February 21, 1941) was a Canadian medical scientist, physician, painter and Nobel laureate noted as the first person to use insulin on humans. In 1923 Banting and John James Rickard Macleod received the Nobel Prize in Medicine.

Mrs Sheila Martineau
On Sunday 3rd April I left Lennox Head and drove to Brisbane where my work experience would take place at the Queensland Institute of Medical Research (QIMR). I did work experience with my uncle who happens to run a science lab which researches cures for brain cancer. I stayed at his house during the week with my aunty and cousins. Travelling to the lab every day was difficult I had to ride 7km through the Brisbane city with my uncle on a push bike. Getting to the lab for the first time was an amazing sight with my uncle telling me how dedicated all the scientists were and that they work 60+ hours every week. Seeing them in action was very motivating. The lab was very multicultural with my uncle’s team consisting of a wide range of people from different races and backgrounds.

The days were 8 hours long, I started early and finished late as I was riding as well as working. Each day consisted of practical lab work from 8.30am - 11am then from 11am - 11.30am I would write about what I did in my practical work. After this I would be able to observe scientists and have lunch. From 1pm – 2pm I would work with a scientist and we would test the gel we made which tested certain cells in our gel. Then from 2pm - 4pm my uncle assigned me a mini paper to write about brain cancer and my time in the lab. He told me it would be very difficult and that I would not know anything about brain cancer and would have to start from scratch and indeed I did. I had to research for an hour then write a paragraph of the paper and then continue this process, the paper took me the entire week and on Friday afternoon I had a lot to do.

My uncle then read and analysed the paper and was pleased with it. In conclusion my work experience week was a very eye opening experience on what work is actually like. It also helped me establish a thought about what career I might like.

Ethan Clarke - Year 10

YEAR 9 COMMERCE EXCURSION
On Thursday, 10th November, students from the Year 9 Commerce classes (With Mr Quigley and Mr Morgan) went on an excursion to Queensland State Parliament and Robina Town Centre, as a part of our ‘Consumer Choice’ and ‘Political Involvement’ topics. First, our group went to Brisbane, where we witnessed a contentious debate in Queensland Parliament Question Time. After this, we travelled to Robina Town Centre, and here we looked at the strategies used by different businesses and compared prices of products between stores. This experience enhanced our understanding and knowledge of the topics our classes have learnt about over the past year. It was a very enjoyable day and we’d like to thank Mr Quigley and Mr Morgan for taking us.

Jacob Brentnall and Laura King
Trinity has been selected as a Partner School with Sydney University and their 2016 STEM Teacher Enrichment Academy.

Recently 6 teachers from Science, Technology and Maths travelled to Coffs Harbour and spent 3 days working with skilled academic staff from Sydney University and 9 other teams from schools in the Northern areas of NSW.

Staff participated in a range of innovative and exciting problem solving activities designed to engage students, and help build higher order thinking skills in Science, Technology and Maths.

Trinity are now involved in an online community and collaboration with other partner schools, and have been appointed a mentor to help support and guide teachers as they develop an integrated STEM project to be implemented in 2017.

Stay tuned!

If you are interested in finding out more

**Drama News**

**DRAMA PERFORMANCE BEST IN THE STATE**

Saskia Flynn has been selected to perform her monologue during the week long ONSTAGE in Sydney at the Seymour Centre in February 2017. This is the highest accolade achievable in Drama and it is wonderful to have our school recognised with the best of the state in the 2016 Drama HSC. Saskia will be acknowledged by the Board of Studies in an awards ceremony on the final day of performances.

This is the second year in a row we have had performance pieces selected to perform at this prestigious event run by BOSTES.

Congratulations Saskia!

*Ms Susan Melhuish*

*Thrilled Drama Teacher*
We need 30 more families to help us!

In December this year, Trinity Catholic College is hosting the 44th Annual Australasian Cricket Carnival.

At present we are looking for host families to billet two male students (minimum) from various Marist Schools across Australia and New Zealand.

Families who host boys during the Carnival will automatically go into a draw to win a $500 School Fee subsidy for the 2017 school year.

House points will also be awarded to host students Houses in the Delaney Cup.

If interested, you would be required to host a minimum of 2 male students for 7 nights from Tuesday 6th December, with teams departing on Tuesday 13th December and provide them with breakfast and dinner.

The carnival will be played in Lismore, with Saturday 10th December a rest day for the teams. All teams will be involved in various activities on this day.

For families in Lennox Head, Ballina and Alstonville, a courtesy bus will be available to assist with transport where/if required.

If you can help please contact:

Mr Matt Barlow
T: 6627 6662
E: mbarlow@trinitylismore.nsw.edu.au

“On behalf of Lord’s Taverners Northern NSW we would like to thank a number of Trinity students for their assistance in putting on a Thank You function at the City Hall for our recently retired Mayor, Jenny Dowell. It was a wonderful opportunity for the community to come together and thank Jenny for all that she has done over many years. To the jazz band, Love Your Mother (Luke Fawcett, Angus Fletcher and Hugo Jones), we loved listening to your wonderful music. And to the Year 12 Waitstaff, Ilah Arnold, Amete Baume, Chloe Harvey, Breeanna Marks, Sophia McFadden and Molly Pearce, your smiling faces and inate charm were commented on by many of those who attended. Thank you for helping the Lismore community show our appreciation to Jenny Dowell.”

Mrs Suzette Pearce
YEAR 12 FOOD TECHNOLOGY STUDIES

Our Year 11 Food Tech students are now our Year 12 Food Tech students! And to kick off their HSC studies we have been undertaking visits to local food businesses and producers within the Australian Food Industry.

Our sincere thanks and appreciation to:

Northern Co-operative Meatworks Casino, Woolworths Lismore Square, McDonalds Lismore and Vecchiet’s Smallgoods Taylors Road.

Without the assistance of these wonderful local businesses, our students would be unable to gain such valuable first hand experiences of their areas of specific study.

Many thanks for your time and support.

Mrs S Gill-Andrews and Year 12 Food Technology

YEAR 9 FOOD TECHNOLOGY

Mr Ferderer’s Year 9 Food Technology had an excursion to the Hospitality kitchen last week to complete a practical lesson on garnishing and heat and serve meals. The class learnt professional garnishing skills and that not everything you buy looks like it does on the label or package.

Mr Col Ferderer
UN YOUTH VOICE
The UN Youth Voice competition is a public speaking competition that asks contestants to present innovative solutions to some of the most prominent and pressing issues in the world today. Students are invited to select the issue about which they are most passionate and suggest tangible and achievable solutions to the complications surrounding that topic.

This year Trinity hosted the UN Youth Voice competition in the Jubilee Centre, Saturday, 15th October. In an incredible result, all three of Trinity’s entrants made it through to speak at the State level at Parliament House in Brisbane on Saturday 5th November.

Congratulations to Arky Ryall, Emily Adams, and especially to Zoe Coles, who has been selected to go to the National competition to be held next year in Hobart.

UN YOUTH QLD IPS
IPS workshops simulate a hypothetical international crisis and challenge students to engage and develop skills to do with conflict resolution, diplomacy, problem solving and public speaking. This year Trinity hosted an IPS for interested students on Monday 31st October.

14 keen young diplomats-in-the-making negotiated their way through a hypothetical crisis, taking on roles as leaders of the Democratic Republic of the Congo, leaders of Rwanda, and a group of plucky Rwandan rebels. In the end, it was an incredibly valuable experience for our young diplomats and the UN Youth facilitators were very impressed by their skilful negotiation, even if it did sometimes end in kidnapping.

Thank you to Phoebe Waters, Daniel Clark, Joel Richardson, Grace Ledwith, Oliver Davies, Merina Penanueva, Tianna Alberth, Sam Parsons, Jemima Owen, William Nash, Arky Ryall, Gabriel Hepper, Daniel Hampson and Elijah O’Keefe for their enthusiastic participation.

Miss Jessica Hunter (Voice & IPS Organiser)
PARISH PRESCHOOL MORNING TEA
On Thursday, 10th November, children from the Parish Centre Preschool accompanied by educators and parents came to Trinity for a tour and morning tea Christmas party. With music playing, Christmas decorations around the room, Christmas colouring sheets and a wide variety of nutritious yummy food you could tell everyone was enjoying themselves.

It was an excellent morning and something we can hopefully do again!

Year 9 Child Studies Students
School Photography Guidelines for Parents and Carers

Information for Parents and Carers

We recognise that parents and carers enjoy photographing and recording the progress of their child at school and on school activities. We recognise that many of you like to share these personal memories online and on social media.

We ask for your cooperation and care concerning the use and distribution of photographs of other children at our school. Some families have very real legal and safety issues which could put a child at risk if an image is made public online. More generally, it is respectful of the privacy of other members of the school community to ask permission before posting an image online. Even if your social media settings are private, it is easy for images to become public, particularly if they are tagged or shared by others.

Best practice guidelines

The following best practice guidelines have been adopted by our school to keep our students and school community safe, and to ensure respectful practices concerning the use of social media. When taking photographs or recordings at school or at school events and your images include other identifiable persons please follow these guidelines:

- Crop out other students or seek the permission of the student or (for students under 16) his or her parent/carer before posting online.
- Do not tag or name the person without permission.
- If a parent or carer requests that you do not circulate an image of their child to others, please comply with the request.
- Please seek the permission of our staff to photograph or record their activities at school. Photography of staff presenting or receiving awards is permitted.

The school will periodically review these best practice guidelines.

Mandatory policies:

The school may from time to time determine that photography or recording at school events or on school grounds is restricted. Where restriction is notified, failure to comply may result in your exclusion from school premises or activities. There may also be consequences as set out in the enrolment agreement.

Under no circumstances may you photograph or record in private areas such as change-rooms, or in school offices or staffrooms, or at meetings, without express permission.

Queries and further resources

If you would like further information about the way Trinity manages the personal information it holds, or wish to complain that you believe that Trinity has breached the Australian Privacy Principles, please contact the School Principal by writing or telephone at: Trinity Catholic College Lismore, 1 Dawson Street, Lismore NSW 2480, telephone: (02) 6627 6634 or Principal@trinitylismore.nsw.edu.au The College will investigate any complaint and will notify you of a decision in relation to your complaint as soon as is practicable after it has been made.

Tel: 02 6652 9900
Email: sales@twwcoffs.com.au

Students wishing to find out more or to apply for this position should email Soraya at sales@twwballina.com.au

The Directors of Totally Workwear have a position vacant for an Executive Assistant trainee.

We are looking for someone to commence full time employment at our Ballina store. The person we desire will have a good ability to write, enjoy learning new things, be very computer competent and have a logical approach to problem solving.

The job will involve a diverse range of duties from booking travel for the Directors, updating blogs/facebook, filing paperwork, data entry and sales. Importantly the job is a support role to the Directors.

While customer service/sales is not the core role it is an important part of the skills required by all Totally Workwear staff. All staff are required to understand our products/processes and liaise with customers.

The ideal candidate will be trained in all aspects of the role and should they wish to pursue study in Business Administration simultaneously this will be fully supported by TWW.

Students wishing to find out more or to apply for this position should email Soraya at sales@twwballina.com.au
