Student Bring Your Own Device Policy (BYOD)

Trinity Catholic College Lismore (hereafter 'The College') has the following policy for students who are required to bring their own device.

1. Objectives - Policy statement

- 1.1 The College will allow students to bring their own personal mobile electronic devices to school for the purpose of learning.
- 1.2 School-developed guidelines and procedures for BYOD must be communicated to staff, students, parents and caregivers.
- 1.3 The use of personal mobile devices at school will deepen learning, will be personalised and student-centred, and will meet the expectations of teachers, students, parents and caregivers.

2. Audience and applicability

- 2.1 College, parents, caregivers and students.

3. Context

- 3.1 The increasing availability of personal mobile devices has accelerated the demand for new models of learning.
- 3.2 Schools are in a position to harness students' connection to their own personal mobile devices for the purpose of developing 21st century learning skills and for fostering digital literacy, fluency and citizenship in a safe environment.

4. Responsibilities and delegations

4.1 The College

- 4.1.1 The College is responsible for the surveillance and monitoring of its computer systems to ensure the ongoing confidentiality, integrity and availability of services.

4.2 The principal

4.2.1 The principal is responsible for developing and implementing the school's BYOD policy.

4.3 The student

4.3.1 The student is responsible for abiding by the College's policy and the Online Communication-Acceptable Usage for School Students.

5. Monitoring, evaluation and reporting requirements

5.1 The Principal may update this policy as required at any time.
