

APPOINTMENT OF A PHYSICS / CHEMISTRY TEACHER

Trinity Catholic College Lismore is a co-educational College for students in Years 7 to 12 with an enrolment of approximately 1030. The College is located in Lismore, occupying two adjacent sites in close proximity to St. Carthage's Cathedral. Students are drawn from a large radius that extends to Ocean Shores in the north, Woodburn in the south, Ballina and Byron Bay in the east and Kyogle in the west.

The College traces its foundation to 1886 when the Presentation Sisters began St. Mary's College, an independent school for girls. This also marks the foundation of Catholic Education in Lismore. The Marist Brothers opened St. Joseph's High School in 1911 and the two schools operated independently until they amalgamated in 1985 to form Trinity Catholic College. Both Orders maintain an involvement in the College. At present, there are three Marist Brothers on staff, including the Principal. Through the Charisms of St. Marcellin Champagnat, Founder of the Marist Brothers and Venerable Nano Nagle, Founder of the Presentation Sisters, the spirit of Mary, the Mother of Jesus permeates all aspects of College life.
